Washington Aqueduct.

OFFICE OF THE WASHINGTON AQUEDUCT, Washington, March 5, 1857.

DROPOSALS are invited for materials and work

thereon; but for such unavoidable delays one anowace in the time of completion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation not holding out sufficiently, to decide when and what works shall be atopped until funds become available.

In case of the eatire stoppage of any particular work for want of funds, the reserved ton per cent, will be paid, it, in the judgment of the engineer, the work has been properly executed as far as it has some.

Payments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per cent; and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie.

All bids should be sealed, and endorsed "Proposals for work or ma-terials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bid should they not be deemed advantageous, and to make such arrange-ments as may be considered most conductive to the progress of the work.

work
Every offer must be accompanied by a written guarantee, signed by
one or more responsible persons, to the effect that he or they order
take that the bidder or bidders will, if his or their bid be accepted,
enter into an obligation, within ten days, with good and sufficient
securities, for the completion of the work undertaken; said guarantee
to be accompanied by the certificate of the United States district
judge, United States district attorney, navy agent, or some officer of
the general government or individual known to the Engineer or De
partment of War, that the guaranters are able to make good their
guarantee.

guarantee.

CHARLES S. D. JONES, ATTORNEY AT LAW,

work, of absorbing interest, and possessing peculiar claims to the at tention of Americans.

The author claims that in this volume the story of Aaron Burry strange, eventful fire is told for the first time, and is derived in great part from the personal reminiscences of his surviving friends, conner toos, and acquaintances.

The peculiar, remainter, and eventful life of Aaron Burr has afforded to the control of the great part of the great force of the great democratic for one of the most interesting and facetimating higgraphic eyer written. While incidental to the subject, the rise and progress of the great democratic party of the United States is fully recorded.

The volume is printed on superfine paper, and illustrated with stee portraits of Burr and his daughter Theodocus, and several wood en gravings.

Also READY TO-DAY—

W. S. WOODSHE

United States Naval Court of Isquiry, Washington, February 26, 1857. Washington, February 26, 1857.

THE judge advocate gives notice, for the information of parties coming before the court under the 1st section of the act of January 16, 1857, that they will respectively be advised by the department when their cases shall have been referred to the court; and that it is desirable that in presenting themselves they should come prepared with a last of such witnesses as they may desire to have summoned, specifying to which of the respective heads of "fitness for the mayal service" mentioned in the act their tostimony is to be applied respectively; and suggesting the delay, if any, which may be required, and in respect of what witnesses.

J. M. CARLISLE, Judge Advocate.

The Organization of the Executive Departments of the Government of the United States:

The whole machinery employed to conduct the business arising out of our foreign relations with all the powers of the world is for more simple than is generally conceived. The number employed in the Department of State of the United States is only seventeen, as follows: One Secretary of State, (Hon. Lewis Cass.) one Assistant Secretary of State, (Hon. John Appleton.) one chief clerk, twelve clerks, one translator, and one librarian.

tator, and one iteraran.

Diplomatic Branch.—This branch of the State Department are charge of all correspondence between the department and other diplomatic agents of the United States abroad, and those of foreign powers accredited to this government. In it all diplomatic instructions sent from the department, and communications to commissioners under treaties of boundaries, &c. are prepared, copied, and recorded; and all of like character received are registered and filed, their contents being first entered in an analytic table or index.

being first entered in an analytic table or index.

Consular Branch.—This branch has charge of the correspondence, &c., between the department and the consuls and commercial agents of the United States. In it instructions to these officers, and answers to their despatches and to betters from other persons acking for consular agency, or relating to consular affairs, are prepared and recorded other matters consisted with accounts relating to any fund with the disbursement of which the department is charged.

The Translator.—His duties are to turnish such translations as the department may require. He also records the commissions of consuls and vice consuls, when not in English, upon which exequaturs are issued.

commissions on which they are issued. Has charge of the library.

Capt. M. L. Smith, topographical engineers, assistant, in charge of the Coast Survey Office.

olor.

Assistant Chas. A. Schott, in charge of computing division.

Assistant L. F. Fourtales, in charge of tidal division.

Liout J. C. Tidball, United States army, in charge of drawing

Lieut. Sexton, United States army, in charge of engraving divion. Samuel Hein, disbureing agent. George Mathiot, electrotypist. Joseph Saxton, assistant to superintendent of weights and measures

Hon. Aaron V. Brown, Postmarter General. The direction and management of the Post Office Department are assigned by the constitution and laws to the Postmaster General. That its business may be the more conveniently arranged and prepared for his final action, it is distributed, among several burroass, as follows: The Appointment Office, in charge of the First Assistant Postmaster General, the Contract Office, in charge of the Second Assistant Postmaster General, the Finance Office, in charge of the Third Assistant Pestmaster General; and the Inspection Office, in charge of the chief-clerk.

the Inspection Office, in charge of the chief clerk.

Appointment Office - Horato King, e.g., First Assistant Postmaster General, and ministen cierks. To this office are assigned all questions which relate to the establishment and theontonance of part offices, changes of sites and mane, appointment and removalvel postmasters and route and local agents, as, also, the giving of instructions to post-masters. Postmasters are furnished with marking and rating stamps and letter balances by this bureau, which is charged also with providing blanks and stationery for the use of the department, and with the superintendence of the several agencies established for supplying postmasters with blanks. To this hureau is likewise assigned the aupervision of the ocean mail steamship lines, and of the foreign and international postal arrangements.

persistent of the ocean mail steamship lines, and of the foreign and international postal arrangements.

Contract Office.—William H. Dundas, e.q., Second Assistant Postmaster General, and twenty six clerks. To this office is assigned the business of arranging the mail service of the United States, and placing the same under contract, embracing all correspondence and placing the same under contract, embracing all correspondence and praceedings respecting the frequency of trips, mode of conveyance, and times of departures and arrivals on all the routes; the concrete of the mail between the different sections of the country, the points of mail distribution, and the regulations for the government of the domestic mail service of the binted States. It prepares the advertisements for mail proposale, receives the bids, and takes charge of the annual and occasional mail tectings, and the adjustment and exection of the contracts. All applications for the establishment of alteration of mail arrangements, and the appointment of mail messengers, should be seat to this office. All claims should be submitted to it for transportation service not undercontract, as the recognition of said service is first to be obtained through the Contract Office as a necessary authority for the proper credit at the Auditor's Office. From this office all postmasters at the ends of routes receive the statement of mail arrangements prescribed for the respective routes. It reports weekly to the Auditor all contracts executed, and all orders affecting accounts for mail transportation; prepares the statistical exhibits of the mail service, and the reports of the mail lettings, giving a statement of each bid; also, of the contracts made, the new service originated, the curtaintents ordered, and the additional allowances granted within the year.

Pistuce Office,—John Marron, esq., Third Assistant Postmaster General, and thenty one clerks. To this office are assigned the supervision and management of the financial business of the department, the desira

department, as well as all applications and receipts for postage stamps and stamped envelopes, and for dead letters.

Inspection Office.—John Oakford, e.g., chief clerk, and seventeen clerks. To this office is assigned the duty of receiving and examining the registers of the arrivals and departures of the mails, certificates of the service of route agents, and reports of mail failures; of noting the definquencies of contractors, and preparing cases thereon for the action of the Postmaster General; furnishing blanks for mail registers, and reports of mail failures; providing and senting out mail-bags and mail-locks and keys, and doing all other things which may be necessary to secure a faithful and exact performance of all mail conspacts. All cases of mail depredation, of violation of law by private expresses, or by the forging or illegal use of postage stamps, are under the supervision of this office, and should be reported to it.

All communications respecting lest money, letters, mail depredations, or other violation of law, or mail-locks and keys should be directed "Chief Clerk, Post Office bepartment."

All registers of the arrivals and departhires of the mails, certificates of the cervice of route agents, reports of mail failures, applications for blank registers, and reports of failures and all compisains against contractors for irregular or imperfect service, should be directed "Inspection Office, Post Office Department."
